Momenti discreti

A four-sentenced composition for flute and harp connects indirectly to series of several works in which the harp is entrusted fundamental role - *Suite* for mezzo-soprano solo, flute and harp; *Madrigals* for solo harp and *Amor omnia Vincit* for solos, small mixed chorus, oboe and harp. I devoted the new composition to my friends Jana Boušková and Roman Novotný who participated on finishing and instrumental revision of this work. I'm really grateful to them.
